Re: SnapPay, 3.1

Dear Amit:

This letter is to inform Computer Discoveries, Inc. (CDI) that its payment application, **SnapPay, 3.1**, has received a grade of **PASS** from the PCI Security Standards Council (the "Council") Quality Assurance Team. Your PA-QSA has been notified of this grade as well. This letter does not represent an endorsement of the Application, but rather validation that the minimum documentary requirements have now been met.

Having achieved a passing grade, the Council will list the Application on its Validated Payment Application List once your invoice has been paid.

If you have any questions or need more information, please let me know.

Cheers,

Dia Black
PCI Security Standards Council
